

AGENDA REPORT

Meeting Date: December 18, 2018
Agenda Item # 3
City Manager Approval: *RLC*

TO: Honorable Mayor and Members of the City Council

FROM: Rick Crabtree, City Manager/Attorney

SUBJECT: Adoption of Fair Political Practices Commission; Form 806

RECOMMENDED COUNCIL ACTION:

Staff recommends that the City Council adopt FPPC Form 806 for posting on the City's website with the mandated information.

SUMMARY:

The Fair Political Practices Commission adopted changes to FPPC Regulation 18705.5; appointment of Councilmembers to compensated positions to allow a public official, as an officer of the City Council, to vote on his/her appointment to an external board position.

PREVIOUS COUNCIL ACTION:

The last FPPC Form 806 was adopted by the City Council on December 19, 2017.

DISCUSSION:

Fair Political Practices Commission Regulation 18705.5 previously prohibited a Public Official from participating in a decision to appoint him or herself to an external board position, if the appointment would have an economic benefit to the appointee in the amount of \$250 or more within any 12-month period.

In March 2012, the Fair Political Practices Commission amended FPPC Regulation 18705.5 so that under certain conditions Public Official is allowed to participate in a government body decision that would appoint him or her to such a position. One condition is that the City Council "adopts and posts on its website, on a form provided by the Fair Political Practices Commission, a list that sets forth each appointed position for which compensation is paid, the salary or stipend for each appointed position, the name of the public official who has been appointed to the position and the name of the public official, if any, who has been appointed as an alternate, and the term of the position." (FPPC §18705.5(C)(3))

In May 2012, the Fair Political Practices Commission adopted Form 806 to be used by the government body to allow a Councilmember to participate in a decision to appoint him/herself to a Board, Commission, Special Agency, Joint Powers Agency or Authority, Joint Powers Insurance Agency or Authority, or a Metropolitan Planning organization.

Form 806 must first be adopted by the City Council and posted on the City's website containing all of the information as required by the FPPC and updated as needed to reflect current appointments.

Until the City adopts and posts Form 806, a Public Official may not participate in a vote that appoints him/herself to a compensated external Board position.

CITY FISCAL IMPACT:

There is minimal cost to post the form to the City's Website.
